## 4 hour - Child Protection Training Understand Child Abuse Charges

Over the last five years policing of the Internet has increased and as a result more offenders are being arrested and prosecuted for offences relating to child abuse images. This four hour workshop will provide you with an understanding of child abuse charges, how images are obtained and the 'Copine scale'. This workshop is vital learning if you work with or represent anyone accused of offences relating to child abuse images.

### Who should attend?

- Solicitors/Barristers
- Lead Child Protection Officers

### Area covered in training:

- Understanding charges
- Case of R v Land [1998]
- Understanding the 'Copine scale'
- Interpreting a forensic report
- Offending Risk

- Max 25 candidates
- Certificate of Attendance
- Course run by highly experienced child protection trainers
- £150 + vat per candidate
